## **Background:**

An emotionally charged and thought-provoking production, \**Seven* is guaranteed to get the blood rushing with its passionate themes of love, jealousy and betrayal!

Winner of the 2008 Adelaide Fringe Award for Best Dance, *Seven* tells the story of seven people who share a common but unfortunate trait – they are all in love with the illusion of love. In its unique interpretation of the 'Snow White' fairy tale – *Seven* questions every aspect of its storyline. Was Snow White actually a spoilt brat? Did she perhaps suffer from a father-fixation complex? Why do step-mothers get such bad press and - most importantly – do all princes fall in love at first sight?

*Seven* will be a showcase for Leigh Warren & Dancers' new line-up for 2009 which includes long-time members: Jo Roads and Deon Hastie plus several new faces: Lizzie Vilmanis, Christopher Hewitt, Natalie Allen, Lachlan Bell and Anthony Trojman.

*\*Please note this show contains occasional coarse language and adult themes.*
